Spring Poem:

"A Little Seed"

A little seed for me to sow.
A little seed to make it grow.
A little hole, a little pat,
A little wish and that is that.
A little sun, a little shower,
A little while, and then a flower.

Spring Song:

(Tune: "This Old Man")

Let's all sing
For the Spring
It's the time when birds take wing,
And the bees all buzz
But be careful 'cause they sting!
These are all the signs of Spring!

Let's all sing
For the Spring
Butterflies on flowers cling,
And the grass grows green,
It is such a lovely thing!
These are all the signs of Spring!

No Foolin', April is Here!

Spring is bustin' out all over! The days are longer, flowers are popping up everywhere...it's a great day to be alive! Before you know it, the kids will be out of school for the Summer. If your child has finished Kindergarten through 5th Grade, CELC will be **THE** place to be! The Activity fee of \$200.00 must be paid to guarantee your child's spot. Open enrollment for the general public is currently going on. **Remember, your account must have a zero balance to participate in the Summer Camp program.**

Finders Bonus!! We've decided to reward you for sending families our way. If you recommend another family to our center and that family enrolls, you will receive \$50.00 off of one week's tuition. Sound enticing? Start sendin' 'em our way! 🐣

We are now **Registering Pre-K 4** classes for the 2025-2026 school year. Please stop by the front office to register your child. A registration fee of \$200.00 will reserve your child's place. Spaces are limited and registration has already been opened to the public.

GRADUATION! PreK-4 and Preschool graduation will be held on Friday, May 16th, at Zoar Baptist Church. More information to follow.

IMPORTANT:

Please park in the designated parking spots when picking up your children. We have buses and other large vehicles that pass through and have trouble passing if other vehicles are parked outside of the designated areas. Also, the covered area should only be used in inclement weather.

Parents of School Age Children...

If your child usually rides the bus in the afternoons, and for some reason **WILL NOT BE ON THE BUS**, please give us a call and let us know. Knowing where your child is, and that he/she is safe, is very important to us.

Morning Check-ins...

It is center policy that all children must be checked into the center by 9:00 AM, each morning. Teachers have started daily lessons and late-comers are a disruption to the learning process. Also, it is important that if you will be arriving late due to an appointment, you must make the office aware 24 hours before. **This policy will be strictly enforced.**

13 Benefits of Early Childhood Education

Taken from an article in the Huffington Post, Vicki Palmer asserts that after 35 years of teaching preschool, she has identified 13 essential benefits of early childhood education:

1. Socialization:

Socialization with people other than the child's family in a safe environment is an essential foundational element to the below areas...

2. Concept of Cooperation:

Learning how to share, cooperate, take turns and persevere within a safe learning environment, guided by professionals who have the children's best interests at heart...

3. Encouraging Holistic Development:

The approach taken to build a strong foundation for a child's emotional, social, physical and mental development...

4. Enthusiasm for Lifelong Learning:

...We need to inspire a thirst for learning with eagerness and enthusiasm...

5. Convey the Value of Education Through Experience:

...While parents will always be the most important influence on a child's early life, introducing [children] to a preschool environment provides them with a new perspective on the importance of education that will remain with them throughout their schooling journey...

6. Respect:

...There is no better place to learn this virtue than in a hectic preschool environment, where everything is shared and civility and manners are both taught and learned organically.

7. Teamwork:

Demonstrating and instilling the importance of teamwork that can teach respect for the opinions of others, listening, cooperation and equality...

8. Resilience:

It's important that early childhood educators and parents work together to develop resilience in children as early as possible...

9. Concentration:

During preschool years, children explore at every opportunity to discover new experiences, new friends and new environments...

10. Patience:

...Children need opportunities to be involved in an abundance of social experiences, where they can explore and practice the social skill of patience...

12. Confidence and Self-Esteem:

...A strong sense of wellbeing provides children with confidence, optimism and self-esteem which will encourage children to explore their talents, skills and interests...

13. Exposure to Diversity:

Valuing difference and diversity are crucial to a child's early development..."
